Design that moves you. Innovation that fascinates.

A form that follows the future.

The award-winning design of the Deepal S05, honoured with the iF Design Award, was created at our design centre in Turin, Italy. Every line has been deliberately shaped to create a powerful yet flowing aesthetic.

The result is not only an exceptionally beautiful vehicle, but also an aerodynamic masterpiece. With a drag coefficient of just 0.25, the S05 glides through the air, for maximum efficiency and range.

Charge faster. Drive further.

At a DC fast-charging station, you can charge enough energy for more than 240 kilometres of range in just 15 minutes. That leaves more time for what really matters – your journey.

Highlights

- **Futuristic light signature**
  "Energy Interaction Ring Lights" on the C-pillar display the charging status and welcome the driver.
- **Elegant details**
  Frameless windows and electrically operated, flush-retractable door handles create a luxurious appearance.
- **Active aerodynamics**
  An active grille closes at high speeds to further reduce aerodynamic drag.
- **Strong performance**
  Effortlessly tow caravans or trailers with a towing capacity of up to 1,600 kg.
- **For all weather conditions**
  A standard heat pump and innovative pulse battery heating ensure reliable range even in winter.

Worry-free driving, every day.

The Deepal S05 is not only elegant, but also incredibly practical. It offers one of the largest front luggage compartments ("frunks") in its class, with a capacity of 159 litres, perfect for charging cables or hand luggage.

Together with the 492-litre rear luggage compartment, which expands to 1,250 litres with the seats folded down, you are well equipped for every task of everyday life.

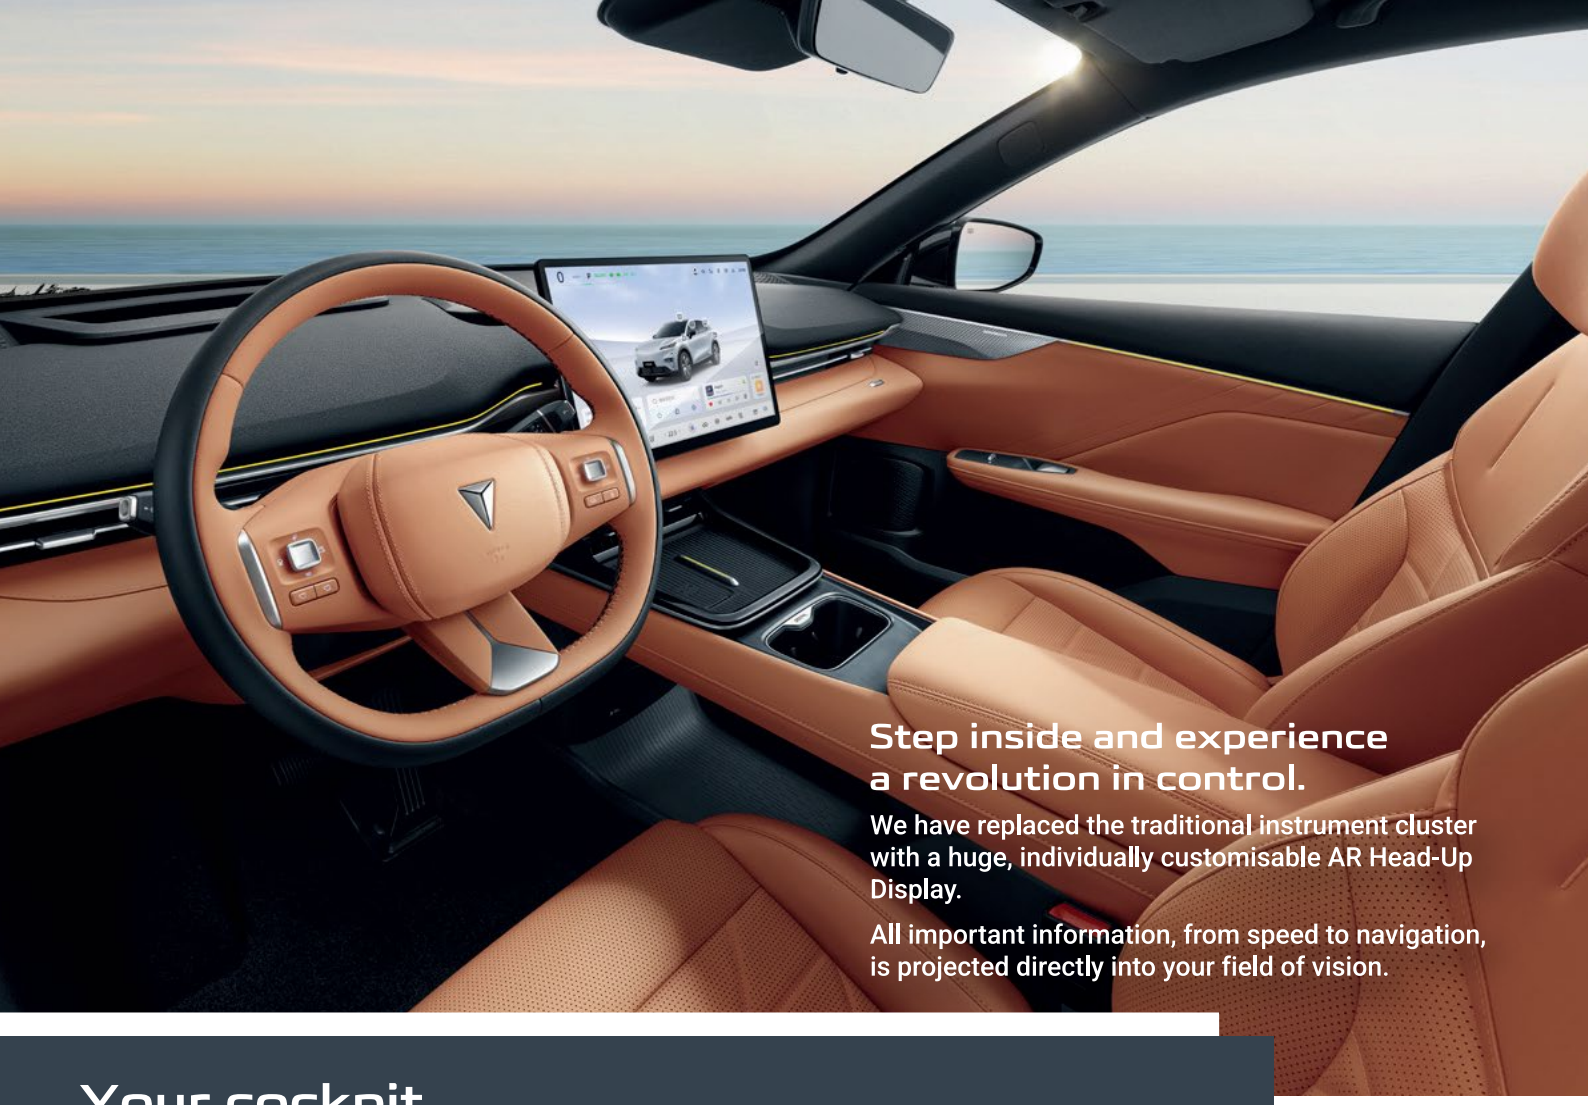

Our Promise

The Deepal S05 is backed by a 7-year vehicle warranty (or 160,000 km), providing long-term confidence and reassurance throughout your ownership.

For even greater peace of mind, the battery is covered by an 8-year warranty (or 200,000 km), demonstrating our commitment to lasting quality, reliability and dependable electric mobility.

Drive with confidence, knowing your Deepal S05 is protected for the journey ahead.

CHANGAN

Step inside and experience a revolution in control.

We have replaced the traditional instrument cluster with a huge, individually customisable AR Head-Up Display.

All important information, from speed to navigation, is projected directly into your field of vision.

Your cockpit. Reimagined.

The centrepiece of the cockpit is the 15.4-inch 2.5K touchscreen, which can intelligently tilt by 15 degrees towards the driver or passenger to minimise reflections.

Powered by a Qualcomm 8155 chip, the system responds extremely quickly to your inputs.

And to make sure your smartphone never runs out of power, a 50-watt wireless fast-charging pad is available.

An oasis of peace and relaxation.

In the Deepal S05, your well-being comes first.

The long 2,880 mm wheelbase creates impressive legroom. A highlight is the “Queen’s Seat” – the front passenger seat with an electrically operated leg rest for maximum travel comfort.

Heated and ventilated front seats ensure the perfect climate in every season.

Enjoy the expansive view through the 1.9 m² panoramic glass roof, which can be electrically darkened when required.

For a concert-hall-like audio experience, the vehicle features a 14-speaker Hi-Fi system.

Comfort for every day. Space for every adventure.

CHANGAN

The all-new

DEEPAL S05

PHEV **Fully Electric**

The all-new DEEPAL S05 is a premium SUV designed in Turin, Italy, combining advanced technology, exceptional efficiency, contemporary European styling, intelligent connectivity, refined comfort, outstanding safety, and a truly dynamic driving experience.

DESIGNED IN TURIN, ITALY

CHANGAN

Model	CHANGAN Deepal S05
Equipment variant	FWD (MAX)

Dimensions

Length × Width × Height	4,598 × 1,900 × 1,600 mm
Wheelbase	2,880 mm
Track width front/rear	1,625/1,640 mm
Ground clearance (unladen/laden)	169/145 mm
Minimum turning circle	11.6 m
Kerb weight	1,940 kg
Permissible gross vehicle weight	2,370 kg
Wheel size	R20
Seats	5
Alloy wheels	•
Boot capacity (seats up/folded, VDA)	492 L
Towing capacity	1,600 kg
Roof load	75 kg

Engine (Combustion)

Displacement	1,497 cm³
Cylinders	4
Transmission type	Automatic
Max. power (combustion engine)	63 kW
Max. torque (combustion engine)	122 Nm
Engine speed at max. power	5,600 rpm
Engine speed at max. torque	3,000 rpm
Fuel type	Petrol, 95 E10
Fuel tank capacity	51 L

Electric Motor, Battery & Charging

Motor type	PMSM
Max. electric motor power	172 kW
Max. electric motor torque	290 Nm
Intelligent regenerative braking system	•
Battery type	LFP
Battery capacity	18.4 kWh
Nominal voltage	341 V
Max. AC charging power	11 kW
Max. DC charging power	55 kW
DC charging time (30–80% SoC)	15 min
Vehicle-to-Load (V2L)	•
Heat pump	–

Performance & Consumption

Total system power (max.)	190 kW
Total system torque (max.)	300 Nm
Acceleration (0–100 km/h)	7.9 s
Top speed	180 km/h
Total range (WLTP)	1,100 km
Electric range (WLTP)	100 km
Energy consumption (WLTP)	18 kWh/100 km
Fuel consumption CS mode (WLTP)	5.4 L/100 km
Weighted combined fuel consumption – Euro 6Ea (WLTP)	0.52 L/100 km
Weighted combined fuel consumption – Euro 6Eb (WLTP)	2.03 L/100 km
Combined CO2 emissions – Euro 6Ea	14 g/km
Combined CO2 emissions – Euro 6Eb	47 g/km
Drive type	Front-wheel drive (FWD)

Chassis System

Electric power steering	•
Speed-sensitive steering	•
Front suspension	McPherson
Rear suspension	Multi-link
Front brakes	Ventilated disc brakes
Rear brakes	Disc brakes
Auto Hold	•

Exterior

LED daytime running lights	•
LED rear lights (full-width)	•
LED headlights with automatic function (and Height-adjustable)	•
Automatic high beam (FAB)	•
Panoramic glass roof	O
Roof rails	•
Electric sunshade (glass roof)	•
Rear fog light	•
Energy indicator light on D-pillar	•
Frameless windows	•
Automatic windscreen demisting system	•
Manually retractable door handles	–
Electric flush door handles	•
Rear spoiler with third brake light	•
Electric tailgate	•
Electrically adjustable and folding exterior mirrors	•
Heated exterior mirrors	•
Automatic mirror folding when locking	•
Mirror memory & automatic tilt-down	•
Tinted windows	•
Automatic window closing when raining	•
Tow bar (manual)	O (€800)
