CARHOME

Art You Can Drive.
Progress That Impresses.

A Statement in Every Line

The Deepal S07 is no ordinary car, it is a statement. Created in Turin and shaped with the character of a true work of art, its design brings together powerful lines, fluid proportions and timeless elegance.

Every detail has been carefully considered to create a distinctive presence on the road, combining Italian-inspired style with a bold, modern character. In motion or at rest, the S07 is designed to stand apart.

Every journey becomes a promise of style, passion and unmistakable presence.

Your Personal Retreat

Step inside and leave the world behind.

The S07 cockpit welcomes you with an atmosphere of clarity and calm. We have deliberately eliminated distractions to create space for what truly matters: your driving experience.

At its centre is the brilliant 15.6-inch Sunflower touchscreen, as intuitive as your tablet and able to rotate towards the driver or passenger.

All essential information is provided by the advanced AR Head-Up Display, projected directly into your field of vision.

It is a space that listens to you, thinks with you and turns every interaction into a moment of pure enjoyment.

Confidence You Can Feel in Every Kilometre.

A Co-Pilot That Never Sleeps

Intelligent safety that looks ahead.

True driving pleasure comes from confidence. That is why we have equipped the Deepal S07 with an invisible protective shield of intelligent safety systems.

From predictive ADAS assistance systems and attentive driver fatigue detection to a 360-degree camera with transparent chassis view – this car thinks with you, looks ahead and gives you the freedom to enjoy every moment of your journey.

This uncompromising commitment to safety has been independently recognised with the highest rating of 5 stars in the Euro NCAP crash test.

The Deepal S07 stands for efficiency, performance and the freedom to reach your destination with complete peace of mind.

Highlights

- **Five Stars for Safety**
  Euro NCAP rates the vehicle five stars for safety, thanks in part to advanced assistance systems such as emergency braking assistance, lane-keeping assistance and 360° surround view.
- **Italian Design Icon**
  The Deepal S07 combines powerful, flowing lines with a distinctive coupé-SUV silhouette.
- **Space & Panoramic Perspective**
  A 2.90 m wheelbase and expansive glass roof create a bright and open interior.
- **Smart Innovations**
  A rotating 15.6-inch touchscreen, AR Head-Up Display and premium 20-speaker sound system are just a few of its many smart features.
- **Efficiency & Power**
  Powerful electric performance and a long WLTP range.

Our Promise

The Deepal S07 is backed by a 7-year vehicle warranty (or 160,000 km), providing long-term confidence and reassurance throughout your ownership.

For even greater peace of mind, the battery is covered by an 8-year warranty (or 200,000 km), demonstrating our commitment to lasting quality and reliability.

Drive with confidence, knowing your Deepal S07 is protected for the journey ahead.

CHANGAN

The all-new

DEEPAL S07

Fully Electric **PHEV**

The CHANGAN DEEPAL S07 is a premium D-segment electric SUV designed by the Changan European Design Centre in Turin, Italy.

It combines advanced electric mobility, premium comfort, intelligent driver assistance systems and connected technology.

DESIGNED IN TURIN, ITALY

DEEPAL S07 (PHEV)

CHANGAN

Model	CHANGAN Deepal S07
Equipment variant	FWD (Max)

Dimensions

Length × Width × Height	4,750 × 1,930 × 1,625 mm
Wheelbase	2,900 mm
Track width front/rear	1,640/1,650 mm
Ground clearance (unladen/laden)	165/145 mm
Minimum turning circle	11.7 m
Curb weight	1,950 kg
Permissible gross vehicle weight	2,360 kg
Wheel size	R20
Seats	5
Alloy wheels	•
Boot capacity (seats up/folded, VDA)	510 L (no front trunk on PHEV)
Towing capacity	1,500 kg
Roof load	75 kg

Engine (Combustion)

Displacement	1,497 cm³
Cylinders	4
Transmission type	Automatic
Max. power (combustion engine)	63 kW
Max. torque (combustion engine)	122 Nm
Rev. at Max Power (rpm)	5600
Rev. at Max Torque (rpm)	3000
Fuel type	Petrol, 95 E10
Fuel tank capacity	55 L

Electric Motor, Battery & Charging

Motor type	PMSM
Max. electric motor power	172 kW
Max. electric motor torque	290 Nm
Intelligent regenerative braking system	•
Battery type	LFP
Battery capacity	18.42 kWh
Nominal voltage	341 V
Max. AC charging power	11 kW
Max. DC charging power	55 kW
DC charging time (30–80% SoC)	15 min
Vehicle-to-Load (V2L)	•
Heat pump	•

Performance & Consumption

Total system power (max.)	190 kW
Total system torque (max.)	300 Nm
Acceleration (0–100 km/h)	7.9 s
Top speed	185 km/h
Total range (WLTP)	1,120 km
Electric range (WLTP)	100 km
Energy consumption (WLTP)	18.6 kWh/100 km
Fuel consumption CS mode (WLTP)	5.9 L/100 km
Weighted combined fuel consumption – Euro 6Ea (WLTP)	0.7 L/100 km
Weighted combined fuel consumption – Euro 6Eb (WLTP)	2.3 L /100km
Combined CO2 emissions – Euro 6Ea	17 g/km
Combined CO2 emissions – Euro 6Eb	49 g/km
Drive type	Front-wheel Drive (FWD)
